الوكالة اللبنانية والعربية للخدمات الاجتماعية

Suite 305, 1385 Bank St. Ottawa ON K1H 8N4 Tel : (613) 236-0003 Fax: (613) 236-6886 www.lassa.ca

This initiative is to provide information and training sessions individually designed to address specific needs identified by: individual newcomers, agencies, corporations, schools and other educational institutions as well offer information sessions over-viewing the types of documentation, with considerations to further education that are often required by community organizations and placement agencies. General and country specific evaluation training is frequently required by school, college and university staff and by those working in the human resource area, to discuss information and/or training needs as follows:

- One on one information with regards to the different academic and professional assessment services in Canada and the provinces
- Assessment of foreign credentials and the Canadian, Provincial and Regional labor market
- What and how and assessment report helps the client to achieve his/her personal career goals in Canada
- Continuing education and educated newcomers outside Canada who must be quickly placed in the appropriate grade
- Information on institution that receives applications from international graduate newcomers educated internationally
- Information on how organization will benefit by considering applications for employment from those who have received education and/or training outside Canada
- Referral to appropriate service provider
- Info sessions and workshops in-house regarding foreign credentials; Info sessions at LASSA'S partners' offices and local community services governmental and non-governmental agencies as requested; there is *no charge* for this service.

In order for organizations to access the service, it is necessary to register LASSA. This helps us to plan activities and to ensure that staff is available when required. To obtain details of the service and a registration form please call, e-mail or fax LASSA.

Organizations that benefits from this service are:

- Governmental Agencies, Social Services, Ontario Works, Municipalities
- Non-governmental and Service Provider Agencies and Health Community Centers
- Ethnic Community and Township Organizations and other faction groups and religious centers.
